

**Project Design Phase-II**  
**Data Flow Diagram & User Stories**

Date	03October 2022
Team ID	PNT2022TMID40376
Project Name	Project – Personal expense tracker application
Maximum Marks	4 Marks

**Data Flow Diagrams:**

A Data Flow Diagram (DFD) is a traditional visual representation of the information flows within a system. A neat and clear DFD can depict the right amount of the system requirement graphically. It shows how data enters and leaves the system, what changes the information, and where data is stored.

## User Stories
